

Per tutte le violenze consumate su di lei  
per tutte le umiliazioni che ha subito  
per il suo corpo che avete sfruttato  
per la sua intelligenza che avete calpestato  
per l'ignoranza in cui l'avete lasciata  
per la libertà che le avete negato  
per la bocca che le avete tappato  
per le sue ali che le avete tarpato  
per tutto questo

in piedi signori davanti a una Donna
